

Setting Up the Environment	Create IBM Account
Team ID	PNT2022TMID13856
Project Name	Project- Inventory Management System For Retailers
Maximum Marks	4 Marks

The screenshot displays the IBM Cloud dashboard interface. At the top, there's a navigation bar with the IBM logo, a search bar, and links for 'Catalog', 'Manage', and 'TONY DAVID RAJ M's A...'. Below this, the 'Dashboard' section features a 'For you' area with several service tiles: 'Build' (Explore IBM Cloud with this selection of easy starter tutorials and services), 'Build a web app with Watson Speech to Text' (Deploy a conversational interface compatible with any application, device, or channel), 'Get Started with Watson Studio' (Get started with using AI and Cloud Object Storage in 15 minutes), 'Build a Virtual Private Cloud (VPC)' (Upgrade to a paid account to create your own protected space in the IBM Cloud), 'Build and deploy Node.js apps' (Go from zero to production in minutes with your Node.js applications, integrate with Watson and other services, scale your microservices), and 'Invite Users' (Invite users to join your account and get started on something new). Below these tiles, there's a row of links: 'News' (WebSphere Application Server Support Restatement, IBM Adds Lifecycle Services to Enterprise), 'Recent support cases', 'Planned maintenance', and 'IBM Cloud status'. The bottom of the dashboard shows a taskbar with various application icons and a system tray with weather information (30°C, Mostly cloudy) and the date/time (3:26 pm, 14/11/2022).
